3. Reasons

MHFG maintains a capital policy pursuing the optimum balance between capital adequacy, growth investment and enhancement of shareholder returns. Based on this initiative, MHFG set forth the shareholder return policy of keeping progressive increase of dividends per share, while executing flexible and intermittent share buybacks.

In accordance with this policy, MHFG has determined to increase the interim dividend by ¥25.0 to ¥100.0 per share for the fiscal year ending March 31, 2027, based on the steady growth of our stable earnings base.

Additionally, MHFG has also revised the year-end dividend estimate from the previously estimated ¥75.0 to ¥100.0 per share, for an increase of ¥25.0. As a result, the annual dividend is estimated to be ¥200.0 per share, an increase of ¥50.0 from the previous estimate.
