# Various MOUs to Strengthen Support on Taiwan-Japan Collaborations

Various MOUs are signed to strengthen business support on Taiwan-Japan collaborations

Time	MOU Counterparty	Purpose
Nov. 2018	<b>The Third Wednesday Club</b> (San San Fe)	<b>Support Taiwan-Japan Alliance</b>
	The Third Wednesday Club is the largest economic organization founded in 1999 through active collaborations between the public and private sectors. The main purpose is to support economic development in Taiwan. The organization supports member companies' overseas business expansion through facilitating interactions with overseas companies.	
May 2019	<b>Taiwan External Trade Development Council</b> (TAITRA)	<b>Support Partnerships between Japanese and Taiwanese Companies in ASEAN</b>
	TAITRA is a non-profit trade promotion organization founded in 1970 with the support from the Taiwanese government and industry associations. The missions include supporting Taiwanese companies to enhance global competitiveness and to expand business in the global market, as well as providing support to foreign companies to enter Taiwan market.	
May 2020	<b>Southern Taiwan Science Park, Starfab</b>	<b>Support Alliances between Taiwanese Startups and Japanese Companies</b>
	Being one of the 3 major science parks in Taiwan, Southern Taiwan Science Park was established in 1996 to promote investment and development in high-tech industries. Established in 2016, Starfab is an accelerator spin-off from Industrial Technology Research Institute (ITRI) and is supporting startups in next-generation industry fields such as AI, IoT, big data, and cybersecurity.	
Nov. 2020	<b>Ministry of Economic Affairs, Dept. of Investment Promotion</b> (InvesTaiwan)	<b>Support Japanese Companies' Investment in Semiconductor Sector in Taiwan</b>
	InvesTaiwan is an organization primarily dedicated to supporting foreign companies in making investments in Taiwan. InvesTaiwan assists foreign companies' investments in Taiwan by providing information on the tax system, legal system, and human resources, as well as various supports on setting operations in industrial parks and related applications.	
Mar. 2022	<b>Chung-Hua Institution for Economic Research</b> (CIER)	<b>Promotion of information provision for deepening interactions between Japan and Taiwan</b>
	Established in 1981, the Chung-Hua Institution for Economic Research is a government-affiliated think tank under the supervision of the Ministry of Economic Affairs. CIER conducts professional research in various sectors and offers advices and suggestions on policy matters related to economic and industrial development in Taiwan.	
Mar. 2024	<b>Industrial Technology Research Institute</b> (ITRI)	<b>Further promotion of information sharing, technology development, and support on overseas business</b>
	ITRI was established in 1973 through the intergration of research institutions under the supervision of the Ministry of Economic Affairs. A research institute that has incubated approximately 270 companies, including the world's largest foundries, TSMC and UMC. It is considered as a key organization that established the foundational groundwork for the development of Taiwan's semiconductor industry.	
May 2026	<b>School of Banking and Finance, National Sun Yat-sen University</b> (BSF)	<b>Assisting in Taiwan-Japan Talent Cultivation, Corporate Exchange, and Industry-Academia Collaboration</b>
	Established in 2022 under the Ministry of Education, SBF promotes government-industry-academia collaboration and the cultivation of industrial talent. The school focuses on developing internationally oriented financial asset management professionals with strong theoretical foundations and practical expertise, in close partnership with 23 leading domestic financial institutions.	

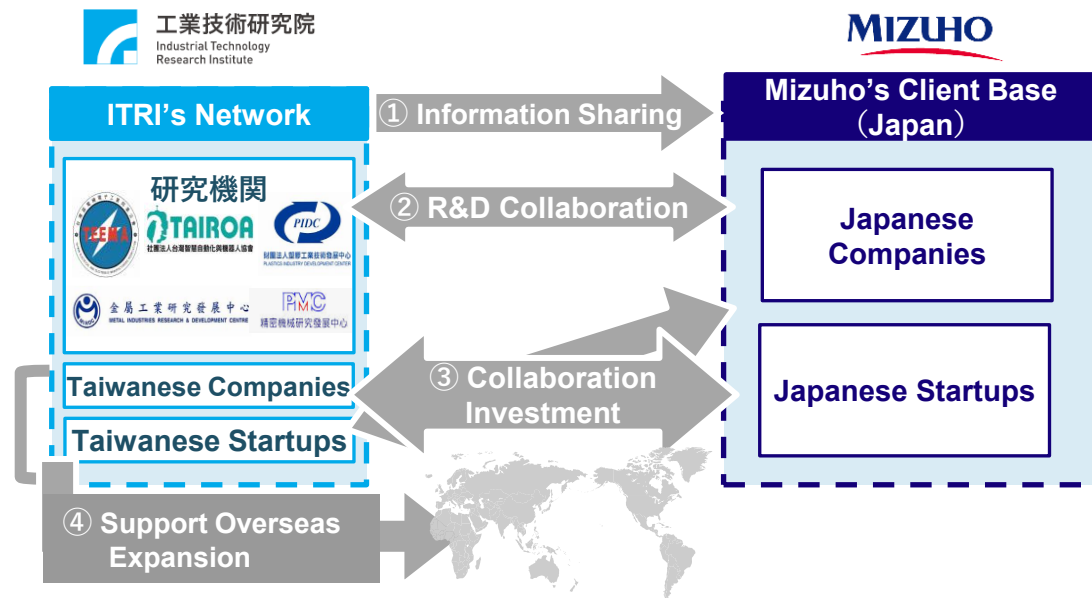

# MOU Signed with Industrial Technology Research (ITRI) for Further Promotion of Industrial Collaboration Between Taiwan and Japan

- In response to the increasing development of advanced technologies in the semiconductor sector in Taiwan and Japan, as well as the increasing presence of startups in both markets, in March 2024, Mizuho Bank signed a MOU with ITRI to facilitate further industrial collaboration between Taiwan and Japan

## Mizuho Bank and ITRI signed MOU to Promote Taiwan-Japan Industrial Collaboration (March 27, 2024 NNA)

- Mizuho Bank and the Industrial Technology Research Institute (ITRI) signed a memorandum of understanding (MOU) on March 22, 2024, with the goal of deepening industrial collaboration between Japan and Taiwan. Through information-sharing regarding startups and related businesses, the aim is to expand the presence of Japanese-affiliated companies in Taiwan's industrial landscape and enhance the global strategic positioning of Taiwanese companies.
- The two sides will collaborate in areas such as “information exchange and sharing in technology, industrial trend, and startup-related business”, “supporting collaboration between Japanese companies and ITRI or other related Taiwanese research institutions”, “offering support in creating business opportunities for both Taiwanese and Japanese companies”, “Supporting Taiwanese companies’ business expansion in Japan and other overseas markets”.
- Mizuho Bank and ITRI first signed a collaboration agreement in December 2010, aimed at providing overall support Taiwan-Japan collaboration in R&D of advanced technology fields. Mizuho stated that, due to the growing demand for Taiwan-Japan collaboration in areas such as semiconductors, after multiple rounds of discussions over the past few years, both parties have reached a consensus on the need for deeper collaboration in promoting interactions between Taiwanese and Japanese companies, leading to the decision to sign a new MOU.

## Overview of MOU Contents

## MOU Signing Ceremony

# Taiwan-Japan Investment Collaboration Forum Co-hosted with the Ministry of Economic Affairs

- Since 2020, the Ministry of Economic Affairs (MOEA) and Mizuho Bank have jointly held the “Taiwan–Japan Investment Conference” each year to promote investment in Taiwan by Japanese suppliers
- At the 6th conference in 2025, keynote speeches delivered by Delta Electronics and ASE helped strengthen communication between Taiwanese and Japanese companies and further promoted bilateral investment.”.

## Scenes from the Forum

## News release from the MOEA(Dec 3, 2025)

### New Investment Trends Driven by AI: “2025 Taiwan–Japan Investment Cooperation Forum” — Jointly Exploring New Business Opportunities in Smart Technologies

The “2025 Taiwan–Japan Investment Cooperation Forum,” co-hosted by the Ministry of Economic Affairs and Mizuho Bank, was successfully held in Taipei on December 2

~omitted~

The forum began with opening remarks by MOEA Minister Kung Ming-Hsin and Mizuho Financial Group Managing Executive Officer Koichi Zaiki. **Gen Kawai, Deputy Representative of the Japan–Taiwan Exchange Association and Huang Chiao-Chang, Chairman of the East Asia Economic Association of the Republic of China, were also invited. Approximately 300 high-level executives from Taiwan and Japan participated both onsite and online, engaging in active exchanges.** The forum demonstrated strong commitment and mutual trust between Taiwan and Japan to move forward hand in hand in the AI era.

~omitted~

Since 2020, the Department of Investment Review, MOEA has been working together with Mizuho Bank—one of Japan’s three major financial groups—to promote investment cooperation in Taiwan - Japan semiconductor industry.

By combining Mizuho’s extensive Japanese corporate network with the customized services of the InvesTaiwan, the MOEA provides smoother support for Japanese companies investing in Taiwan. **The Taiwan–Japan Investment Cooperation Forum, now in its sixth year, continues to receive high praise from numerous Japanese companies and has become an important platform for bilateral investment exchange between Taiwan and Japan**

# Sustainability Initiatives and Awards

- The Taiwan Institute for Sustainable Energy (TAISE) was established as an NGO to promote transition to a low-carbon economy in Taiwan. In order to solve climate change and related social issues, TAISE has been making effort to promote educational programs on sustainable development to companies, universities, hospitals, etc. TAISE also conducts evaluation and award honors for sustainability initiatives of all participating units.
- Mizuho has received several awards in recognition of its efforts to realize a sustainable society through sustainability finance.

## Taiwan Sustainable Investment Awards

The only foreign bank to receive the award in the “Corporate Engagement” category

Award ceremony (2022/07/08)

- Support for corporate sustainability initiatives through financing, including sustainability-linked loans (SLL) to three core companies of the Taiwan Plastics Group
- “Corporate Engagement” Awarded in recognition of Mizuho’s impact on companies’ ESG initiatives.

## Asia-Pacific Sustainability Action Awards

Only Japanese company to receive the award

Award ceremony (2023/7/21)

- Awards to recognize initiatives to achieve sustainability in the APAC region
- Mizuho received the award in recognition of its efforts to contribute significantly to the realization of the SDGs “Decent Work and Economic Growth” through sustainability financing.

## Taiwan Corporate Sustainability Award

4 consecutive years to be honored as a Top10 Sustainable Foreign Enterprise

Award ceremony(2025/11/21)

- Incorporated low-carbon finance and innovative investments into the group’s sustainability strategy, Mizuho continually expands climate-related investments and decarbonization financial solutions, while also strengthened to reduce greenhouse gas emissions in our own business activities.

# Commitment to Taiwan / Activities of the AiXin Foundation (愛心基金會, a Charity Foundation)

- The AiXin Foundation, managed by the Taiwan branch, was established in 1989 to commemorate the 30<sup>th</sup> anniversary of Mizuho entry into Taiwan and has continuously supported charitable activities, including providing scholarships and disaster relief donations.

## Premier Cho Honors Mizuho Bank's Foundation and Others for Disaster Relief Support (NNA : 2026/1/30)

On the 26<sup>th</sup>, **Premier Cho Jung-tai(卓榮泰) of Taiwan's Executive Yuan(Cabinet)** held an award ceremony to express his gratitude to five non-profit organizations, including **the AiXin Foundation, an affiliate of Mizuho Bank**, for their support in disaster relief efforts in Guangfu Township, Hualien City as well as for their long-standing contributions to charitable activities in Taiwan.

In addition to the AiXin foundation, the five organizations honored were the GFC Foundation, the Cathay Life Charity Foundation, the Chunghwa Telecom Foundation and the Hon Hai Education Foundation. The Premier expressed appreciation for providing resources and sharing experiences with universities and specialized training colleges whose students participated as volunteers.

**At the ceremony, Mr. Takehito Onishi, General Manager of Mizuho Bank in Taiwan and Chairman of the AiXin Foundation, explained that the foundation was established in 1989 to commemorate the 30<sup>th</sup> anniversary of Mizuho Bank's expansion into Taiwan. He noted that the foundation's primary mission is to support Taiwanese university students facing difficult circumstances. He also emphasized his commitment to continue the foundation's activities going forward and expressed his determination to contribute to cultivate the Internationalization of Financial Talent, an initiative led by Taiwan's Ministry of Education.**

# Strategic MOU Concluded with NSYSU School of Banking and Finance to Cultivate International Financial Talent in Taiwan

- In May 2026, Mizuho Bank concluded a Memorandum of Understanding (MOU) with the School of Banking and Finance (SBF) at National Sun Yat-sen University (NSYSU) to establish a collaborative partnership aimed at making contribution on strengthening Taiwan's financial sector and developing next-generation international financial professionals.
- This partnership serves as a key initiative under Mizuho Bank's corporate social responsibility (CSR) framework. Aligned with Taiwan's national strategies, Mizuho leverages its global banking capabilities to actively support the development of global financial talent.

## Mizuho Bank Partners with NSYSU on Financial Talent Cultivation (NNA: May 27, 2026)

On May 22, Mizuho Bank signed an MOU with National Sun Yat-sen University (NSYSU), **becoming the first foreign bank to partner with the university**. Through this initiative, Mizuho will provide endowed lecture series at the School of Banking and Finance (SBF) and host NSYSU trainee students at its Tokyo head office this July.

NSYSU President Li Zhipeng conveyed his appreciation, noting that the initiative “will offer diverse, international opportunities for faculty and students”. Takehito Onishi, General Manager of Mizuho Bank's Taiwan branches, remarked that he hopes **the school will fully leverage the Mizuho Bank's accumulated expertise in finance and industry, as well as its global network, and expressed his expectation for a future in which graduates will collaborate with Mizuho Bank in supporting Taiwan's development**.
