Mizuho Financial Group, Inc.

Mizuho Financial Group, Inc. (President & Group CEO: Masahiro Kihara) is pleased to announce that it has been selected for CDP (formerly the Carbon Disclosure Project)'s Corporate A List for the first time, in the latter organization's 2025 survey of corporations' responses to climate change.

CDP is a global non-profit that runs the world's only independent environmental disclosure system for companies, capital markets, cities, states, and regions to manage their environmental impacts. It assesses corporate initiatives and information disclosure on climate change on an eight-point scale from A and A- down to D and D-. Each year, the companies demonstrating the highest level of performance are recognized on its Corporate A List. In 2025, over 22,100 companies disclosed data through the CDP platform, which is widely utilized by investors and corporations.
