Mizuho Financial Group, Inc. (“MHFG”) resolved at the meeting of its Board of Directors held on November 14, 2025 to repurchase its common stock pursuant to the provisions of Article 156, Paragraph 1 of the Companies Act of Japan (“Companies Act”) and in accordance with the provisions of Article 459, Paragraph 1 of the Companies Act and Article 47 of its Articles of Incorporation, and to cancel the repurchased common stock pursuant to Article 178 of the Companies Act. Today, MHFG hereby announces that its Board of Directors resolved today to expand its share repurchase program, extend the repurchase period, and change the planned cancellation date of the repurchased shares.

1. Reason for the Amendment

MHFG maintains a capital policy pursuing the optimal balance between capital adequacy, growth investment and enhancement of shareholder returns. Based on this initiative, MHFG set forth its shareholder return policy of keeping progressive increase of dividends per share, while executing flexible and intermittent share buybacks. In accordance with this policy, we decided share buybacks, based on our business results, capital adequacy, our stock price and the opportunities for growth investment, using the total payout ratio of 50% or more as a guide.
